CBM: Local churches in Garissa County, Kenya, are asking for prayer as they have experienced heavy rainfall in the past few weeks which has made the Tana River overflow. Over 70% of Tana River county has been flooded and only a small amount of the land remains accessible. It is reported that dozens of villages have been swallowed up by water. Pray for people who have been displaced due to the floods. Ask God to provide the resources needed to prevent a widespread humanitarian crisis from taking place and that he would give comfort to those who have been impacted.

Prayer after the service May 20: Bob and Jane Shipley
